

Seminario

Silvestro Fassari

(Università degli Studi Guglielmo Marconi, Roma)

***The behaviour of the three-dimensional Hamiltonian
 $-\Delta + \lambda[\delta(x + x_0) + \delta(x + x_0)]$
as the distance between the two centres vanishes***

**Seminario B118, Facultad de Ciencias
Viernes 3 de Febrero de 2017 (12:00)
Organiza: **G.I.R. Física Matemática****
