# CURSO DE DOCTORADO

**Khaled A. Al-Sharo**

*Al al-Bayt University, Mafraq, Jordan*

## ***A course on finite group theory***

**Abstract:**

Lecture 1 (Tuesday, 5th May, 18h): Introduction to transitivity conditions in finite groups (T-groups, PT-groups, TI-groups).

Lecture 2 (Wednesday, 6th May, 16h): TIT-groups: Definitions, examples and structural properties.

Lecture 3 (Thursday, 7th May, 18h): Applications to p-groups, nilpotent groups, and aspects of simple groups.

**Seminario 125, Facultad de Ciencias  
Martes 5 de Mayo de 2026 (18:00)**
